

SUNDAY, JULY 4, 1875.

TELEGRAPHIC NEWS ITEMS.

The last rumor is that Tilton will attempt to have General Tracy indicted for perjury.

An order has been issued in Matamoras that Cortina will be shot in case an attempt is made to release him. Still, an attack is feared, and danger of a conflict is imminent.

Alexander Hamilton, ex-Treasurer of Jersey City, has pleaded guilty to a charge of embezzlement.

A number of Catholics, exiled by the German Government, have reached the United States. Among them are twelve priests.

Wells, Fargo & Co. on Friday surrendered all business in Kansas and Colorado to the American and United States Express Companies.

A dispatch via New York says Lady Franklin is slowly recovering.

Yale on Friday conferred the degree of Master of Arts upon H. H. Bancroft, of San Francisco.

The District of Columbia has redeemed the \$100,000 bonds issued as a subscription to Chicago at the time of the great fire.

A storm, producing almost a flood, has done much injury in Central Illinois.

The Governor and Council of Massachusetts have determined to let the law take its course in the case of young Pomeroy.

The South Carolina Bank and Trust Company has suspended, and the reason given is a heavy run by depositors.

Switzerland has voted twenty-five thousand francs to make a Swiss representation in our Centennial.

Ed Johnson, of the Irish team, won the Abercorn cup Friday.

It is now thought that three thousand lives and property amounting to \$60,000,000 were destroyed by the recent floods in Southwestern France.

Both sides in Spain telegraph victories and heavy loss to treachery.

Paris has subscribed \$150,000 for the sufferers by the floods.

The Democratic State Convention of California finished its labors and adjourned.

Fifteen thousand pounds of powder were exploded in a mine at Stick or Flat Friday, with good results.

P. D. Wiggington has been nominated for Congress by the Democrats in the Fourth Congressional District.

Los Angeles rejoices in the prospect of an unprecedented corn crop.

In the First Masonic Lodge of Jerusalem it is said, the Master is an American, the Past Master an Englishman, the Senior Warden a German, the Junior Warden a native, the Treasurer a Turk, the Secretary a Frenchman, the Senior Deacon a Persian, and the Junior Deacon a Turk. There are Christians, Mohammedans and Jews in the Lodge.

The organ of the C. P. R. R. at Sacramento is decidedly on the fence on political matters. It is owned by a good Republican, but that good Republican is owned by the railroad. Orders for it to pitch into somebody have not yet been issued by the company, hence its reticence in the matter of politics.

Hops are fashionable at Santa Cruz, California, and nearly every evening public soirees afford amusement to the guests. Dancing on the beach is the most novel and evident of the most satisfactory to all.

OUTRAGEOUS BILLS.

The Board of County Commissioners will be in session to-morrow, and probably take final action on two bills, laid over at their last meeting. First comes the claim of the State of Nevada for \$1,000, for extraordinary expenses incurred in the prosecution of the delinquent tax cases of the Central Pacific Railroad. This is rather a modest (?) sum for the great commonwealth to ask of this county, when the fact is patent, that the State eventually will be more largely benefitted than any other three counties in the State, in view of the recent decision of our State Supreme Court, and consequently the precedent established ought certainly to be sufficient compensation for the State. If there is money due from one to the other we think the county ought to be the recipient. But we do not care at this time to enter into an elaborate defense of the proposition for reimbursement advanced on the part of the State; we merely content ourselves with, on behalf of the people of this county, entering a solemn protest against the allowance of the bill, or any portion.

Second, we have the claim of Senator Thompson for \$1,000, for services in the same cases. There being no law to warrant the payment of \$1,000 to the distinguished and honorable Senator of this amount, the Board have no authority to do so. But it looked as though when we received the Central Pacific tax money of \$54,000 everybody wanted a grab at it. In the language of the average California statesman there was "money in the treasury," and they wanted to "rake her." The people of this county do not pay extortionate freight and fare charges, that anybody shall receive \$1,000, when a portion of their money is returned to the county treasury. They demand that such money shall be used for legitimate expenses, so that their taxes may be reduced somewhat. And any other distribution of such money will be condemned by them.

The Beecher Jury Failing to Agree are Discharged—Nine for Beecher and Three for Tilton.

New York, July 2.—Early this morning the jury in the case of Tilton against Beecher breakfasted, and then sent a note to Judge Neilson stating that it was impossible for them to agree. The Judge returned an answer that he would be at the Court-room at 10 o'clock, and would then sit for counsel and communicate wth the jury. At that hour Judge Neilson took his seat, and was followed by lawyers Porter, Shearman, Abbott, Hill and Tracy, for defendant, and Morris and Pease, for plaintiff. At 11 o'clock the jury filed into Court, and in reply to the question: "Gentlemen of the jury have you agreed upon a verdict?" foreman Carpenter replied, "We have not. We regret it very much that we find it impossible to agree." Judge Neilson stated that he had learned by a note from the jury early this morning, that in their opinion they should be discharged as they could not agree and some of their number were suffering in health. He experienced the force of that application very strongly, and had called them in now at the earliest moment and given to counsel and others an opportunity of being present. As they were about to separate he would like them to carry away kindly recollections.

How the Jury Stood.

New York, July 2.—The jury stood nine for Beecher and three for Tilton.

INTERESTING TO THE LADIES OF RENO AND VICINITY.—The new dress-making establishment opened by the Misses Vance, on Plaza street, opposite the freight depot, will receive and make to order in the latest styles, all kinds of plain and fancy sewing.*

NOTICE.—Mr. Nels. Greenman is no longer our authorized agent. Our patrons will govern themselves accordingly. SU LEE & CO. *

EL DORADO SALOON.—Conrad Zieck has just taken charge of this place, opposite Wintermantel's Hotel. Every attention paid to the patrons. Musical headquarters. *

BOOTS AND SHOES, ETC.—It is an established fact that these articles can not be got along without. Hence, it necessarily follows, that in the purchase of them we should not only look to price but to quality, for none of us desire to pay an extortionate price for an inferior quality of boot or shoe. There is no doubt but that John Sunderland can give us complete satisfaction in both respects. Then to Sunderland's, (on Virginia street), we will go, for boots, shoes, slippers, and all goods of that class.*

NEW GOODS.—Mrs. McNeely has just received a new and beautiful lot of goods of the latest styles and colors, consisting of ready made suits, dry goods, muslins, prints, white goods of all kinds, table linen, towels, napkins, black silk, hose, two-button gloves, gent's kid gloves, also handkerchiefs, ladies handkerchiefs, parasols, Spring shawls, corsets, zephyrs. Millinery and fancy goods of all kinds.

THE ALTAR.

HARWOOD—ROBINSON.—In Reno, July 4th, at the residence of Mr. Lovitt, by Judge Gilson, G. A. Harwood to Miss Annie Robinson.

<p

SUNDAY, JULY 4, 1875.

TOWN AND COUNTY.

D. A. BENDR & Co.—This firm have a new ad. to-day. They buy and sell, strictly on commission, mining stocks, U. S. and State bonds, and all other securities dealt in at the San Francisco Stock and Exchange Board. Currency, Eastern and Foreign Exchange, bought and sold. The highest market price paid for county scrip. Railroad tickets from the East to the West and to Eastern cities preceased on short notice. Collections also promptly attended to. Their place of business is in Chelovich's brick building, Commercial Row.

SCHOOL CENSUS.—We have been presented with a copy of the report of Mr. Ring, School Census Marshal for Reno district. It shows: Number of boys between 6 and 18 years of age, 159; number of girls between 6 and 18, 180; total number between 6 and 18, 339; number under 6 years of age, 206; number between 18 and 21, 29; total number under 21 years of age, 560; number reported born in Nevada, 175. All of which is a very fine showing for Reno district.

SPRING FESTS.—The season is nearly over, but the Spring flights will not down. Our town is disgraced thereby. We demand that Judge Gilson administer the full extent of the law to these malefactors, and see if there can't be a stop put to the nastiness. No more foolishness.

LAW CARD.—The law card of G. A. Hoyt, Attorney-at-Law, appears in another column. Mr. Hoyt is a young lawyer of ability, and proposes to make Reno his future home. We welcome him among us.

FOR SALE.—A fine chance is offered to embark in business in Washoe City. C. A. Gibson offers extraordinary inducements. See his new advertisement in to-day's paper.

NOTICE.—A. Waltz, Esq., Register of the Land Office, publishes a notice in another column, of interest to A. E. O'Neil and Wm. T. O'Neale, involving title to certain lands.

THE BALL.—Don't forget the grand uniform ball of the Knights at Dyer's Hall to-morrow evening. It will be a *rara avis* in the way of Terpsichorean festivities.

UNION SERVICE.—There will be union service at the M. E. Church this evening. The service will be appropriate to the occasion—4th of July.

SPECIAL MEETING.—Reno Lodge, No. 19, I. O. O. F., will hold a special meeting on Tuesday, for the purpose of having its officers installed.

REV. W. J. CLARK will preach at the Congregational Church, at eleven o'clock this morning, and in the evening at 7 o'clock. All are invited.

STILL IN TOWN.—Gov. Bradley is now and has been in Reno for several days, on official business in connection with the new prison.

THE GHOULOUS FOURTH.—This is the "day we celebrate." But Reno remains quiet, and the gentle Truckee passes reproachfully on.

ONE YEAR FROM TO-DAY THERE WILL BE LOTS OF "CHUMMINGZLING" GOING ON IN THESE UNITED STATES. MAY WE ALL BE THERE TO SEE.

STOCKS.—No stocks yesterday; none to-day; none to-morrow; small 'em Tuesday at 12 m.

THE BOARD OF COMMISSIONERS MEET TO-MORROW. And the District Court also.

There will be no service in the Congregational Church this evening.

UNIFORM BALL.—Tickets for the grand Uniform ball of Amity Lodge, No. 8, K. of P., which takes place at Dyer's Hall on the evening of the 5th, are now being offered for sale by members of that Order. Good string music is "sunshine in the heart" and an element of vitality in any public demonstration. And so the members desire that this ball shall be a financial as well as a social success they have marked the tickets down to nominal figures, and we trust everybody will regard it as a public duty to buy an admission and a personal privilege to go and have a jolly time.

THE RACES YESTERDAY.—The races yesterday furnished amusement for about 300 people. The trotting race was won by American Boy in three straight heats. Time: 3:04; 2:51 1/4; 3:04 1/2. The single dash of a half mile was won by Coalburner. Tomorrow will be the last day of the races, and good sport is looked for. The last race was declared off by the Judges, on account of foul.

HOMES strayed or taken up, houses to rent, stock and merchandise for sale recently advertised in the JOURNAL have been returned, rented, called for and sold beyond the expectation of parties advertising. If you do not want a thing known keep it out of this paper; if you do advertise it.

DIVINE services will be held in the M. E. Church to-day, at 11 A. M. and at 8 P. M., also Sabbath school at 2 P. M. Rev. E. C. Arnold, Pastor.

FUNNINERS.

A crack invisible to the naked eye. The crack of a whip.

A man who would try to stab a ghost would stick at nothing.

The first and last lesson in drawing—Drawing one's breath.

Wanted, a pig from the pen that was mightier than the sword.

Some people are positive just in proportion to their ignorance.

If you will not hear wisdom, she will rap your knuckles.

Beware of too many cups. The hiccup often leads to the lock-up.

What is that which, by losing an eye, has only a nose left?—A noise.

Why is a lover like a knave?—Because he is bound to adore (a door).

Young ladies use powder, perhaps, because they think it will make them go off.

What is the champion conundrum—Life; because everybody has to give it up.

Cheerful happiness—Going without one's dinner to be happy when supper time comes.

Can an edifice that weighs several hundred tons be properly called a lighthouse?

Who was the first whistler?—The wind. What time did he whistle?—Over the hills and far away.

Over the shop-door of a pork-butcher in a village in one of the eastern counties may be seen a sign-board, representing a man in a black coat brandishing a hatchet, with the inscription, "John Smith kills pigs like his father."

A Vermont professor who recently tried to mesmerize a bull by gazing fixedly at the ferocious beast, has just recovered from the effects of his involuntary aerial navigation, and has quite lost faith in the power of the human eye over brutes.

To see how eagerly a human being will catch at a straw it is not necessary to witness a drowning. Just put the end of a straw in a cobbler or a julep, and you will find enough who will eagerly grasp at the other end with their lips.

"Do you believe there are any people who never heard 'Old Händel'?" asked a musical young lady at the family table. "Lots of folks never heard it," interrupted the precocious younger brother. "Where are they, I should like to know?" was asked. "In the deaf and dumb asylums!"

A lecturer on optics, in explaining the mechanism of the organ of vision, remarked, "Let any man gaze closely into his wife's eye, and he will see himself looking so exceedingly small that—" here the lecturer's voice was drowned by the shouts of laughter which greeted his scientific remark.
